

## FREE SERVICE FOR SENIORS

# MEALS ON WHEELS HEALTHCARE AND FOOD FOR PETS

Do you know someone 60 years and older who is currently enrolled in Meals On Wheels in Salina and has pets at home? Saline County now offers **FREE Healthcare and Food for Pets** for seniors who already utilize the Meals On Wheels program. We want to further support homebound senior citizens of Salina.

Homebound seniors often go without needed food in order to ensure their pet companion will have something to eat. By providing not only a hot nutritious meal for them, we can also make sure their furry friends are also taken care of.

The Meals On Wheels program enables seniors to stay in their homes longer by having a volunteer that greets them with a hot meal and a daily contact. The volunteer is often the only human contact this senior sees or speaks to.
